I'm writing this short report to the school authorities with the aim of explaining why the museum's resources aren't fully used by the students.

Our school museum is ~~truly~~ truly considered to be our pride. Actually, it's been built recently and now is located in the centre of Manchester. It's not a really big building, but it still looks wonderful, ~~made of~~ <sup>made of</sup> white bricks.

70 I suppose the main reason why our school museum is not really popular among the youngsters is that today's adolescents prefer to look for some <sup>90</sup> necessary information on the Internet rather than to visit museums for learning <sup>100</sup> something new, useful for their education. Probably, another reason for ineffective using our museum's objects can be lack of students' time. Nowadays, they <sup>95</sup> spend so much time on their studies so to get a good education and well-paid job afterwards that they don't have any time to visit different places of entertainment and just have a rest.

How can we try to prevent increasing public access to our school museum?

As people's visits to our museum are rapidly increasing day by day, we <sup>100</sup> should do something about it. For example, we can make special students' cards <sup>105</sup> that will allow them to have ~~an~~ access to the museum for educational purposes, <sup>110</sup> of course.

155. <sup>95</sup> All in all, I'd like to point out one more time that it's important to try doing our best to improve this situation. Imagine if our only school museum in Manchester is totally closed... That will be a disgrace!
